

Our commitment to our customers throughout Africa

The name **ZIPPEL®** is internationally recognised and synonymous with a **manufacturing company** which provides a comprehensive range of cost effective storage facilities , products and services for office filing and original document management. We have sold more mobile filing systems than any other company in South Africa and currently offer the widest range of filing and storage systems available.

We offer competitive pricing but never compromise on quality to achieve a lower selling price, our clients recognise we provide products which represent “ real value for money”

ZIPPEL recognised the need to transform society in South Africa and the need to empower previously disadvantaged individuals within a business environment. **TSWELOPLE ZIPPEL** was funded and formed in 1999 to facilitate this, and today is a **Level One Contributor Epowerdex** rated and approved **B.E.E. Company**.
